Quick n Painless

Because I am mindful of budgets, and the absolute need to have lots of pictures... *Often...* I created a special day every month called Quick n' Painless. This is generally a Themed day, coinciding with the holiday that will be coming in the month ahead; or in some cases, just a plain white background. On this day there are NO appointments. You just come when its convenient for you. There are NO sitting fees. You just select the package you desire, pre pay, and wait your turn. We even have a frequent shopper rewards card for you, every 5th visit earns you a free package!

Things to know:

-Remember there are no appointments; you are placed in line when you hand in your payment and form. (*tip... have that form printed out at home and ready to go with the payment as soon as you get in the door!)

- There really is no "Best time to come". MOST of the popular days will be busy right when we open the doors at 9 am. The general least busy time is the last two hours. Please be mindful of our lunch break. If we are too full to get everyone's photo taken before our lunch break at 1pm we WILL have to lock the door. PLEASE do not try to arrive at 12 pm if at all possible. There is chance you will be asked to come back after lunch break (2pm) ... just like Santa.. I need a chance to go feed the Reindeer!

- You may do more than one Pose on this day. Fill out a SEPARATE Form for each pose you would like to do. Write in the space provided, a description of each different pose. All charges may be paid with one form of payment. ** If you are changing clothing, we will ask you to step aside and do so while we go ahead and take the next person in line. You will be back in place once you are ready with your next outfit.

** Please note, if you need more than 3 different Poses it is probably better for you to come to a private session as sometimes many people are waiting for a turn, and this is not fair to the other customers.

- I choose the BEST photo to print your package selection. If you decide you do not like your QP portraits (THIS IS RARE!!) You may apply this purchase for another QP day. There are NO re-shoots or refunds on Quick n painless days.

- You can purchase more pictures after the QP day is over, however prices are REGULAR PORTRAIT PRICES, NOT Quick n' Painless pricing. PLEASE buy what you need on that day to get the best value!

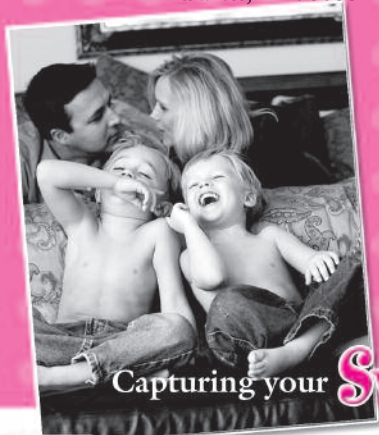

- In general, your order is ready for pick up one week after the shoot. WE will call the number provided (Or email in some cases) when they are ready. In some cases there might be Re-dos... if you did not get a call this may be the case... however they **will not** be any longer than the next 3 business days. So if you did not hear from us within 10 days of the shoot PLEASE call to check ! Messages are often mysteriously lost!

-Awesome Rewards cards must be presented on the day of the shoot to be punched. PLEASE! We cannot punch them "next time". Thank you so much for understanding!

As always, if you have any questions on QP (or any other session), please feel free to drop me an Email and I will get back to you very promptly with an answer! We cannot answer the phone on QP days, so please call for directions or suggestions for props or anything else prior to the shoot day. I look forward to seeing you here!!
